THE 2017 BRUCE LYNTON CHARITY BALL AND GOLF DAY HAVE RAISED \$126,346 FOR CHARITY.

The 2017 Bruce Lynton Charity Ball was held on Saturday 6th May at RACV Royal Pines Resort, which marked 17 years since its inception back in 2001. The Bruce Lynton Charity Ball was founded by Beric Lynton, Dealer Principal of Bruce Lynton Automotive Group and the event remains a highlight on the Gold Coast's social calendar, not only attracting local guests but also guests from all over Australia. Over this time more than \$1.8 million has been raised for local charities.

Bruce Lynton Automotive Group is delighted to announce that this year alone \$126,346 has been raised for their six local beneficiaries Cancer Council Queensland, Guide Dogs Queensland, Youngcare, Men Of Business, 4 ASD Kids and Perry Cross Spinal Research Foundation.

Beric Lynton commented, "It is truly incredible to witness the overwhelming support we receive each year from our local community in making this event so successful. And this year was no different. Whether it's through the purchase of a few tickets or a full table, through the donation of a silent or a grand auction item, or through the donation of a raffle prize, or to an even higher degree through sponsorship, I cannot express enough just how grateful we are. And I don't just speak for myself but on behalf of all six of our beneficiaries. Without the help of the local community these worthy causes would cease to exist. It's truly remarkable how if we all band together and do our bit, we really can make a difference in people's lives."

Bruce Lynton Automotive Group would like to extend their further gratitude to their 2017 Major Sponsors, without whom this special event could not have been made possible: RACV Royal Pines Resort, CSQD, Digital Lighting Solutions, Carlton United Breweries, Solution Red, Morse Building Consultancy, John Flynn Private Hospital and Moët Hennessy Australia.

In addition to the Charity Ball, Bruce Lynton Automotive Group hosted a Charity Golf Day at RACV Royal Pines Resort on Friday 5th May, which also filled to capacity with local business owners and executives. The day included 18 holes of golf, a light lunch, evening canapés, a raffle and fantastic prizes.
