

The Bruce Lynton Charity Ball proudly supports:

Bruce Lynton Automotive Group

Media Release

25th June 2018

THE 2018 BRUCE LYNTON CHARITY BALL AND GOLF DAY RAISE \$168,650 FOR CHARITY.

Bruce Lynton Automotive Group is delighted to announce that the 2018 Bruce Lynton Charity Ball and Golf Day have raised an impressive \$168,650 for its six beneficiaries Cancer Council Queensland, Guide Dogs Queensland, Youngcare, Men Of Business, 4 ASD Kids and Perry Cross Spinal Research Foundation.

Held at RACV Royal Pines Resort on Saturday 2nd June, the 18th Bruce Lynton Charity Ball lived up to its expectations yet again entertaining over 760 high profile guests with a sumptuous three course meal, a six and a half hour beverage package and non-stop live entertainment. The evening also consisted of a major raffle, live auction and a silent auction.

The Bruce Lynton Charity Ball was founded by Beric Lynton back in 2001 and is always one of the most popular events to attend on the Gold Coast's social calendar, not only attracting local guests but also guests from all over Australia. Over the years more than \$2.19 million has been raised for local charities!

Beric Lynton commented, "I can't thank the Gold Coast community enough for supporting our Charity Ball again this year. Without the purchase of tickets and tables or through sponsorship and donations we wouldn't be able to achieve this amazing result. And without the help of the local community these worthy causes would cease to exist. It's truly remarkable how if we all band together and do our bit, we really can make a difference in people's lives."

Bruce Lynton Automotive Group would like to extend their further gratitude to their 2018 Major Sponsors, without whom this special event could not have been made possible: RACV Royal Pines Resort, CSQD, Digital Lighting Solutions, Carlton & United Breweries, Sol RED Creative Event Services, Morse Building Consultancy, and Moët Hennessy Australia.
